I wish to publicly compliment ED ORTIE for his mosquito fogging truck, making life easier for the people of Waveland, Bay St. Louis and other sections. He should be praised for trying to destroy the mosquitoes and other pests. This is not only expensive to him, but also is taking up much of his time in this work and preparations. We admire his forethought in exterminating these pests, instead of going to house to house pestering the people for votes. The forethought and ability of Ed Ortie in serving his people, is certainly far reaching and the people of Hancock County should be honored to know that a high class man, as Ortie, is willing to serve them as their Sheriff. WE WELCOME ALL TO ATTEND THE 7TH ANNUAL MISSISSIPPI DEEP SEA FISHING RODEO, at Gulfport, July 1-2-3-4

SPONSORED BY THE JOE GRAHAM POST NO. 119 OF THE AMERICAN LEGION OF GULFPORT, MISS.

OFFICIALS
Honorary President Hon. Governor Hugh L. White
Honorary President Hon. Mayor R. B. Meadows, Jr.
President Hon. General Eugene Eubanks
Vice President Hon. Ed. P. Ortte
Corresponding Secretary Hon. Bob Redfield
Treasurer Hon. W. T. Woleben
General Chairman Hon. Charles F. Burrill

WELCOME to my fellow fishermen of all ages. You are hereby invited to participate in the greatest sporting event in the history of the beautiful Mississippi Gulf Coast the 7th Annual Mississippi Deep Sea Fishing Rodeo. This great fun festival is sponsored by Joe Graham Post No. 119, American Legion, Gulfport, and is actively supported by the entire City and County Administration, and what is more the business and professional men of the entire Coast area, from whose contributions the more than \$3,000.00 in prizes was made possible.

The Rodeo this year promises to be a banner year event—the prizes are the best, the fishing is fine, and we have for your pleasure a wide variety of outside divisions. We will be so glad to have you to make our Rodeo Complete.

SCORE A TOUCHDOWN FOR YOUR CHILD'S WELFARE ELECT BEA GEORGI

TO THE PEOPLE OF BEAT FIVE, HANCOCK COUNTY: Election day is drawing closer and closer, and with each passing day anxiety concerning the outcome of the many races grows higher and higher.

Just like our many past season football classics which are held annually on New Year's Day the spectators are beginning to comment on their opinions of the results.

But unlike these athletic games, you the voters and spectators have the authority to say who will win and who will lose. It is your RIGHT to vote for the best man or as in my case the BEST WOMAN in the race.

You are the sole judges of the talent presented to you on the ballot. We, the qualified contestants, do not meet on the gridiron to decide who will run your government or who will dispense JUSTICE.

This is your delegated duty and you should select wisely. I, like a coach asks his players, beseech you to concentrate. Concentrate on my qualifications and then if you believe that it would be for the best that I should be elected to office, then I say mark an X by the name of Bea Georgi.

If I am elected to office, I shall be JUSTICE that is DUE HIM and follow the chalk markers of the law.

I earnestly solicit your vote and influence and I promise you, if you see fit to elect me, I will make a COMPETENT, HONEST and FAITHFUL Justice of the Peace.

Sincerely yours,
BEA GEORGI

of Mississippi will lease the land to the Federal Government on a long term lease. The local National Guard unit, Company C, of the 890th Engineer Aviation Battalion, has only been activated since last October. There were 19 men in Company C at the time of activation, and the Company strength at this time is in excess of 70 men and two officers.

Company C consists of members throughout the County, and the construction of the new Armory, which is the primary mission of this National Guard company is the maintenance and repair of air strips, which makes the location of the Armory at the Airport exceptionally well suited for training purposes.

It is anticipated that surveys of the land, improvement of existing roads and other preliminary work will begin in the near future.

WATER TO REMAIN
It has again become our duty to call to your attention the fact of water in the City of Bay St. Louis. As in the annual occurrence each year at this time, we have a serious shortage of water.

We, the members of the commission council, would at this time like to remind every resident of our city of Ordinance 12, which states that water sprinklers are permitted to be used only from the hours of 7 to 9 a. m. and 5 to 7 p. m. From this time on this ordinance will be strictly enforced for the purpose of protecting the public in case of fires.

Because of the weak water pressure we are now faced with, a fire would be a major crisis.

We want to thank everyone for their cooperation in this matter.

WHAT IS THE SHERIFF SUPPOSED TO DO? HE HAS TWO BIG JOBS

Job No. 1

HE IS THE POLICE DEPARTMENT

When you hear a prowler at night, you want a policeman. So you call the Sheriff's Office. When anyone is breaking the law, the Sheriff is supposed to be on the job—quickly—before any harm is done. Traffic needs policing, especially in a County which embraces a major highway. When youngsters go wrong, the Sheriff must move in quickly to handle them as juvenile wrong-doers—before they develop into adult criminals. He is to protect the individual and his rights—both his personal rights and his property rights—at all times. He is to be alert in regards to strangers in the community. He is supposed to know who they are and be on guard against undesirable elements moving in.

What kind of Sheriff will Sylvan Ladner, Jr. Be?

On Job No. 1

When I am elected Sheriff and Tax Collector and you call for help, a deputy will be at your home within minutes. There will be a deputy, equipped with car radio, in every beat. At least one deputy will be on duty twenty-four hours a day. In brief when you call for help, you will get help—when needed.

The Highway patrol of Mississippi is in charge of policing the highways. Our deputies will check the highways for gross violations. We want to prevent horrible accidents such as the one we had this week. But we will go after the people—not against them. We will NOT SET ANY SPEED TRAPS. Deputies will do an honest day's work and get an honest day's pay. They will not get their spending money out of the pockets of innocent tourists.

(3) Our staff will be made up of the kind of men who can talk to YOUR children and keep them out of trouble.

(4) THERE WILL NOT BE ANY ORGANIZED GAMBLING IN HANCOCK COUNTY. IF YOU GIVE THE RACKETEERS AN INCH, THEY WILL TAKE A MILE. THEY WILL RUN YOUR LIFE AND YOUR COUNTRY.

Job No. 2

He is the Collector of all revenue for the county. As Tax Collector, all tax money is channeled through the Sheriff's office before being deposited in the County Treasury. It is up to him to collect the taxes fairly and efficiently and to make the business of tax paying a simple task—as simple as paying your telephone bill. He is supposed to keep on duty and open records so that everyone knows where he stands at all times.

1. The Sheriff's office will be run on a strictly business basis. WHEN YOU OWE TAXES, YOU WILL GET A BILL. HANDED TO YOU FROM THE SHERIFF'S OFFICE. You will not have to go to the office to find out how much you owe. YOU CAN PAY THESE TAXES BY MAIL, TOO. In other words, you will be able to pay your taxes just like you pay any other bill. Your department state does not make you come down to find out how much you owe. Why shouldn't your Sheriff give you the same courteous service? SHERIFF J. LADNER, JR., will give you that service.

2. You will get an experienced man who has handled the City of Bay St. Louis' money honestly and efficiently. I have been Commissioner of the City of Bay St. Louis for six and a half years, three years as Commissioner of Finance and three years and half as Commissioner of Public Utilities. I am not just making promises. I am telling you what can be done, because I have operated these efficient systems in the City Government.

3. Full time will be devoted like any other taxes. One special clerk will be assigned to handle poll taxes to give you courteous and efficient service. The more people who vote in Hancock County, the better I like it.

I want it possible for everyone to pay poll taxes without being inconvenienced.

4. The records of the Sheriff's office will be open to the public at all times. We will not have anything to hide. In fact, we will be proud of the work we are doing.

Elect Sylvan J. Ladner Jr. Sheriff of Hancock County.
